## **OBJECTIVE**

---

Seeking a dynamic position in website development so I can use my expertise in WordPress, HTML, CSS, JavaScript, and other programming languages to build interesting and user-friendly websites. Eager to support innovative digital ideas and add to a forward-thinking team.

## **PROFESSIONAL SUMMARY**

---

Dynamic and adaptable professional with a track record in website development, graphic design, and multimedia production. Started out in the field of video editing and worked my way up to become a graphic design master. Developed into a skilled coder with knowledge of HTML, CSS, and JavaScript; currently, I am regarded as a specialist in WordPress and the creation of e-commerce websites. Making use of a wealth of freelancing experience, skilfully providing customised solutions to a wide range of clients. Prepared to bring a broad skill set and creative thinking to bear in any fast-paced setting to produce significant outcomes.
